Source: [WindowsWear](#)

Congratulations to Paige Gracz, winner of the WindowsWear competition! In partnership with Coach & Kate Spade, the WindowsWear Mentorship Program provides eligible students an opportunity to create and submit a 360 degrees creative project considering the evolution of the store experience and imagining the "THE STORE OF THE FUTURE". Over 250 submissions were received this year, and Paige landed the top place spot—she will also be joining Coach's 3D Design team as an intern this summer.
